DEMAND VS. SUPPLY — WS4

Skill Gap Matrix & Platform Teardowns

#1

Business Analysis

1,515 openings

2.8% supply share

#2

Project Management

1,482 openings

8.3% supply share

#3

No-code & Automation

1,045 openings

0.0% verified supply

WARM CATEGORIES

Product Management and Cybersecurity trail just behind the top three gaps.

COMPETITIVE MOAT

TS Academy and Utiva lead on placement signaling — but Afriment's managed real-company pod execution remains a unique differentiator.

COMMUNITY ECOSYSTEM — WS5

STRATEGIC PATHWAYS

Recommendations & Roadmap

WS2

Tier 1 Outreach

Direct messaging and email outreach to the 40 Tier 1 accounts with active hiring targets.

WS4

Curriculum Pivot

Scope pathways for Business Analysis and No-code & Automation, marketed around “Real-Company Pod Projects.”

WS3

Foundation Outreach

Open conversations with Prince Casper Foundation and Whitefield Foundation on sponsored learner seats.

WS1

Social Cadence Reform

Shift 30% of underperforming single-image posts into named-graduate and student-story carousels.

WS5

Community Co-Hosting

Launch Wave 1 outreach using tailored formats like live portfolio teardowns.

WEEK 4 CLOSE-OUT

Questions & Stakeholder Alignment

Open floor for leadership feedback, cross-pod insights, and strategic steering on Week 4 findings.
